**Community Resource Center**

The Community Resource Center (CRC) is a Colorado nonprofit organization that provides training, technical assistance, and consultation to nonprofits and community-based organizations in Colorado and across the country. CRC's mission is to empower nonprofits to fulfill their missions by building capacity, strengthening skills, and providing strategies for success. CRC has worked with thousands of organizations in both urban and rural communities throughout Colorado. [www.crcamerica.org](http://www.crcamerica.org)

**Metro Volunteers**

Metro Volunteers offers dozens of workshops each year that are focused on nonprofit management and leadership issues. Topics include fundraising, financial management, marketing and public relations, volunteer management, and more. Metro Volunteers also offers customized training, facilitation services, and board candidate training and development. Workshops are taught by professionals from both the nonprofit and corporate sectors.
